The Respondents intend to file a joint appeal of the Director's Determination, or in the alternative, move for reconsideration of the Director's Determination. Because the Respondents were served with the Director's Determination nearly two weeks apart, we are also submitting the enclosed Motion for an Extension of Time to File Appeal to ensure that Respondents have adequate time to coordinate their appeal and to address fully the issues raised in the Director's Determination. The Motion seeks an extension of time to April 28, 2003 within which to file our appeal.

Please do not hesitate to contact us should you have any further questions.

Sincerely,
